We have devoted ourselves to:

- Support and promote awareness of the POW-MIA issues; aid their families in their plight to demand the full accounting of all POW and MIA unaccounted for from all wars and conflicts.*

- Provide support and comfort for victims of Agent Orange and those suffering from PTSD.*
- Establish a Tuition Aid Fund to help Veterans Sons, Daughters and their immediate families to attend college or gain skills in work that enables them to find jobs in various businesses.*
- Contribute financial assistance to Veterans or their families when in need.*
- Donate food baskets to families in need during holiday seasons.*
- Sponsored 14 names for 'Operation Brotherly Love' (Donated \$14,000.00 to the Memorial Fund in 1987.*
